

Sandoz Central America & Caribbean ^[1]

Sandoz CAC is a multicultural and multilingual cluster that contains more than 30 countries. From Costa Rica, a highly qualified and multinational executive team, manages the aspects of a region that is not only diverse, but also has challenges that require innovation, quality and change management at its highest level.

Countries such as Guatemala, Honduras, El Salvador, Nicaragua, Costa Rica and Panama are part of the Spanish-speaking sub-region of Sandoz CAC, along with the Dominican Republic in the Caribbean. Trinidad and Tobago, Jamaica, The Bahamas, Barbados, Curacao and Aruba, just to name a few, are part of the large number of islands that are part of the English-speaking subregion of Sandoz CAC.
